

Reach 1000s of Motivated NZ Car Buyers — Before They Visit Anyone Else.

Advertise your dealership on FindMyDrive.ai — NZ's AI-powered car finder.

About FindMyDrive.ai

FindMyDrive.ai is New Zealand's first AI-powered car matching platform. Buyers answer a few questions, swipe through real NZ cars Tinder-style, and receive personalised top-3 recommendations — with direct links to buy. **Your inventory appears in front of buyers who are actively searching for exactly what you sell.**

100+

NZ car models in our database

AI

Powered matching engine

Free

For car buyers— you reach them first

Why Advertise With Us

- **Qualified leads only** — Every visitor is actively searching for a car right now, not just browsing.
- **AI-matched targeting** — Our algorithm shows your brand to buyers whose preferences match your inventory.
- **NZ-focused** — Built exclusively for the New Zealand market with real NZ pricing and Trade Me integration.
